Financial Policy, Consent, and Authorization for Treatment at PURE DENTISTRY

By signing below, I knowingly and voluntarily establish myself as a patient of this dental practice and expressly authorize the doctor and staff to examine, diagnose, and provide dental treatment deemed necessary or advisable. I understand that no guarantees or warranties have been made regarding the results of any treatment. I acknowledge that treatment recommendations are based on dental health needs and not insurance coverage, and that dental insurance is a contract between me and my insurance carrier; therefore, I accept full financial responsibility for all services rendered regardless of insurance determinations. Payment, including deductibles and estimated co-payments, is due at the time services are rendered unless prior arrangements are made. Missed or canceled appointments with less than 24 hours' notice may result in a \$100 fee. Returned checks or declined credit card payments will incur additional fees. Accounts with balances over 60 days may be subject to a service charge of 1.5% per month (18% annually). Fee estimates are valid for 90 days from the date of examination. I agree to pay the reasonable value of services as billed unless disputed in writing within the payment period and to all collection costs, including reasonable attorney fees, if applicable.

To the best of my knowledge, all of the preceding answers above and all information provided on this form are true and correct. If I ever have any change in my health, I will inform the doctors at the next appointment without fail. I have read the above consent of services and payment and agree to their content.

Insurance Information Disclaimer

It is very important to us for any dental patient to have some understanding of how dental insurance works. Your employer contracts with an insurance company, then the insurance company creates a custom tailored policy based on what your company is willing to pay as a premium. This policy is unique to your company although it may share some similarities to other policies. The insurance company has the ability, based on the legal document "policy", to pay or not pay any claim at any time or to exclude certain procedures etc to limit their exposure. Their legal relationship is with you, the patient, and *not the dental office, which is a third party provider.*

The information is very limited as to what they tell us. The insurance company stresses to us that the information received "does not guarantee reimbursement." We do not receive information on specifics of your individual policy.

Please understand as a patient at Pure Dentistry, we do everything possible to ensure that you get your maximum benefit from the insurance. We also believe that insurance companies should not dictate treatment for a patient. It is important that you understand that when you receive a treatment plan from our office that it is an ESTIMATE ONLY and not a guarantee. We cannot possibly know all the ins and outs of your insurance policy.

This document is our attempt to avoid any financial misunderstandings. We would like you to understand you are responsible for anything your insurance company does not cover and/or pay for any reason. Our goal as an office is to give you the best treatment possible and meet or exceed your expectations.

By signing this document, I have read and understand the above information.

However, if you do agree, you are then bound to comply with this restriction. I understand that I may revoke this consent, in writing, at any time. However, any use or disclosure that occurred prior to the date I revoke this consent is not affected.

By signing this form, I agree to allow the use and disclosure of my medical record information for the purposes described above.
